Your underwriting in any capacity will go towards the 2010 "Doggie Ball" which is our single most important fundraiser of the year. The money we raise from this event goes towards saving the lives of abused and neglected animals in our community, placing them in our no-kill shelter and adopting them out to wonderful homes.

Partial Underwriting opportunities are also available for several areas of the Doggie Ball such as invitations, decorations and event management software.

Please contact Sasha Muzzarelli at 561.482.8110 for more information.

We are happy to work with you and tailor a sponsorship to suit your company's needs.

Please make checks payable to the Tri County Humane Society
